

Five Facts About Discover:

1. Discover is the name of Clark Libraries, Catalog. You can search for materials; it's really easy. You can find so many resources!
2. Discover contains books, e-books, DVDs, CDs, and much more!
3. The Catalog will tell you what's available and where! For example, these say "online access" so they might be e-books. However, these ones say they are available at Cannell Library second floor.
4. Make sure to sign-in to see all of your options! This is the best way to get the most out of Discover. The sign-in tool is under the "my account" link. Once signed in, you can request books and access articles. Sign in with your Clark computer/wireless username and password.
5. Discover also has a personal e-Shelf to organize all that you find
